

# LEADER TALKS

Leading Your Employees through the Battle with Covid-19

## Life With COVID-19

Please Join CVCC, K-64 and the Chamber for a Free “Leader Talk” with:  
Honey Estrada, Public Health Strategist | Catawba County Public Health  
Kacee Morgan, Public Health Nurse | Catawba County Public Health

Tuesday, May 5 @ 11:30 AM

Hear from the Catawba County Public Health Department on steps you can take to prepare your business to protect both your employees and customers. Our guest panelists, Honey Estrada and Kacee Morgan, will share recommendations from the Public Health Department; as well as steps you as individuals can take to safely return to work.

**Honey Estrada** is the Catawba County Public Health Strategist. Her mission is to make Catawba County a healthier place to live, learn, work, shop, play and pray. She works with a number of community partners to identify needs, develop initiatives and action plans to improve community health.

Passionate about health and wellness, Honey holds a Master’s in Public Health from Lenoir-Rhyne University and lives in Newton with her husband and two teens.

**Kacee Morgan** is a Registered Nurse with Catawba County Public Health. She is the lead Communicable Disease Nurse for Catawba County and comes with years of prior nursing experience in pediatrics and geriatrics. She is currently working on continuing her nursing education at Lenoir-Rhyne University. A Catawba County native, Kacee is now raising her own family in this community and looking for ways to give back to her hometown.

**Register today.**  
**We’re all in this battle together.**

A SERIES OF LEADER TALKS BROUGHT TO YOU BY:
